Who is your doctor at Vital Link Chiropractic? Any comments about the doctor? \_\_\_\_\_

Dr. Rame - she's wonderful. Very sweet and easy to talk to about my medical condition

Disease and Sickness require time to develop. Healing takes time too, what changes have you noticed in your Body since beginning Chiropractic Care? Days noticed

decrease in back discomfort within the first 10 days.

Weeks at about 6 or 7 weeks now. Great improvement

already, back discomfort occurs rarely, sleeping much better.

Months Back started causing heartburn about 6 years

Years ago - no more heartburn since beginning  
chiropractic care!

Any additional comments on how Chiropractic helped you regain, obtain and enjoy life and better health. \_\_\_\_\_
